

Membership Benefits

Annual Dues

0-50 employees: \$500

50-100 employees: \$1100

100+ employees: \$2200

Special rates available for nonprofit organizations. Sponsorship opportunities also available.

Your membership includes:

- Access to key decision-makers and thought leaders from area businesses, academia, real estate, nonprofits, and local, state and federal governments
- Business development assistance for members moving or expanding into the region: identifying potential sites, navigating permitting in different towns, connecting with legislators, access to resources for grant funding, and more.
- Access to research and programming that forecasts trends in the region for employment, land use, transportation, and investment.
- A platform for showcasing your business: speaking and sponsorship opportunities, as well as amplifying your message through our social media and network.
- Member-only rates for our programs and events
- Reduced admission fees for UMass Lowell's Graduate, Online, & Professional Studies Programs
- Member-only rates for TMA participation

M3 Membership Matters

Middlesex 3 Coalition acts as a convener throughout the region: bringing together public and private entities to solve challenges that no one company or municipality can tackle on their own. Your membership allows us to continue our leadership role in economic development, transportation, workforce & training, legislative advocacy, and partnership.

Collected dues go directly into our operations and programming, allowing us to:

- champion economic growth with legislative leaders
- support workforce efforts
- facilitate collaboration within and across industry clusters
- hold roundtables and panel discussions with executives from commercial, nonprofit, and municipal organizations
